Currently am 2<sup>nd</sup> year, pursuing my bachelors

MAY 2024

### 12<sup>TH</sup> GRADE, GATEWAY INTERNATIONAL SCHOOL

Passed 12<sup>th</sup> grade with 80.2% overall

## SKILLS

- Proficient in **Python, C, and Java** programming languages.
- Strong understanding of **AI & ML fundamentals** and problem-solving techniques.
- Collaborative team member with experience in **XR and innovation-driven projects**.

## ACTIVITIES

I have actively participated in various technical and community-oriented activities. I volunteered at the *Good Samaritan Old Age Home*, contributing to social outreach and community service initiatives. I regularly take part in **HackerRank** to strengthen my programming and problem-solving skills. As a member of the **XR Team** at Sathyabama Institute, I explore the integration of AI with extended reality. I also engage in continuous learning through online courses, workshops, and participation in tech communities.
